

61st Annual Meeting of the Northeastern Weed Science Society

*“Broadening our Weed
Science Horizon”*

January 2 - 5, 2007

The 61st Annual NEWSS Conference is January 2 to 5 (Tues-Friday), at the Renaissance Harborplace Hotel in Baltimore. The first day will start with the **POSTER SESSION** in the morning with a diverse group of poster presentations. A focused **GENERAL SESSION** will begin mid morning touching on a number of key topics. Thursday will focus on our breakout sessions including the **GRADUATE STUDENT ORAL PAPER COMPETITION** as well as presentations by other members. On Thursday afternoon, in addition to the breakout sessions, we are offering an **ORNAMENTAL WORKSHOP**. On Friday, we are offering three different symposia including an **INVASIVE PLANTS** session focused on riparian buffers, a **TURFGRASS** symposium focused on new and innovative chemistries for the golf course, and a **HORSWEED/MARESTAIL MANAGEMENT** session that will include the latest control recommendations for glyphosate resistant horseweed. Following the invasive plant workshop, an organizational meeting to discuss an **INVASIVE PLANT MANAGEMENT COURSE** will be discussed. Join us and learn something new. Individual attendees should make hotel reservations directly with the <http://marriott.com/property/propertypage/bwish?groupCode=newnewa&app=resvlink> or by phone at (800) 468-3571 by December 8, 2006.

Pesticide, Certified Crop Advisor, and GCSAA certification credits are available to those attending.
