NORTHEASTERN WEED SCIENCE SOCIETY

Tuesday, September 15, 2009

Dear NEWSS Members and Members to Be:

The Annual NEWSS Conference is fast approaching. The title and author(s) submission site is now active for the 64th Annual Meeting to be held at the Marriott Boston Cambridge, Two Cambridge Center, 50 Broadway, Cambridge, MA January 4-10th, 2010.

Go to <http://wssaabstracts.com> (or use the sign-in link at www.newss.org) and sign in under new user to create your own password for the site.

To submit your title, click on new presentation. Simply follow the site's step by step process for submission. Add your title, then choose topic type and section by using the pull-down menus. Be sure to indicate if you are competing in the graduate student contest via the pull down menu – this is critical. Enter author(s) and affiliations and be sure to click on the square indicating which author is the presenter. Please be consistent with your colleagues in the naming of your institute or business. Click on the "Submit" button when you have entered all the information. You will receive an email confirmation that your title has been submitted.

The deadline for title submission is Wed. September 23.

If you have any questions or encounter any problems, please contact Mark VanGessel (mjv@udel.edu) or Greg Armel (garmel@utk.edu).

We look forward to another great meeting this year.
