ABOUT THE FOREST:

The Modoc National Forest, situated in extreme northeastern California, boasts an ecologically diverse landscape. It is a land of contrasts, with ecosystems ranging from pine and fir dominated mountains to high desert plateaus covered with sage brush and juniper. It is one of the largest national forests in California at about 1.68 million acres. Administratively it is managed from the Forest Supervisor's Office in Alturas and two zones encompassing four ranger districts with offices in Adin, Tulelake, Alturas and Cedarville. The climate also exhibits contrasts, with average high temperatures in July being 88 degrees and average lows in January in the teens. With the average annual precipitation being about 12 inches there is an abundance of days with clear blue skies. Elevations range from 9,892 feet at Eagle Peak atop the Warner Mountains to 4,000 feet in the valleys.

The Forest manages a variety of programs, including wildlife, vegetation, range, recreation, minerals, wilderness, special uses, heritage, watershed, fuels and fire suppression. Specialists working here include botanists, foresters, wildlife and fishery biologists, archaeologists, range conservationists, engineers, fire and fuels managers, business management and public relations professionals. These specialists work on a variety of challenging issues including: sage steppe restoration, wildhorse territory management, the largest rangeland management program in Region 5, managing fire across the landscape, and landscape scale restoration.

The Forest is primarily situated in beautiful Modoc County. With a population of about 10,000 the County is among the most rural in California. It borders Oregon to the north and Nevada to the east. Alturas is the County Seat and location of the Forest Supervisor's Office, and is about 3 ¼ hours (170 miles) from Reno, NV; 2 ¾ hours (145 miles) from Redding, CA; and 1 ¾ hours (98) miles from Klamath Falls, OR. All these cities offer major shopping opportunities and Reno and Redding offer airport services. There is a medical clinic in Alturas with major medical services available in Reno and Redding.

While the key to real estate is location, location, location; for many who come and stay on the Modoc the key is lifestyle, lifestyle, lifestyle. The Modoc lifestyle has much to offer, being more rural and remote. A slower pace offers a welcome relief from the "hustle and bustle" of urban life. The nights are quiet and peaceful, and with minimal light pollution the sky is full of stars. There are ample recreational opportunities, including fishing and hunting, that are uncrowded. There is strong community support and the local community is interested and involved in Forest programs. If you are looking for a place that offers a low stress lifestyle and safe community, the Modoc is for you.

About the Communities:

Alturas: The Supervisor's office is located in Alturas, California, which has a population of 3000, and is the county seat of Modoc County. Alturas is a full service community with a hospital, doctors, public schools, businesses, and recreation facilities. The cost of living is reasonable. Home costs range from \$100,000 to \$250,000. Rentals for 2-3 bedrooms are approximately \$300-\$500. The public school system provides instruction for grades k-12 and offers numerous extra-curricular activities. Additionally, the Lassen College Extension Office offers a variety of night courses. Alturas also has various churches representing many denominations.

Adin: Adin is a rural northeast California community of about 550 people and is located in the heart of beautiful Big Valley. Big Valley consists of four small towns Nubieber, Bieber, Lookout and Adin. Surrounded by picturesque mountain peaks, there are many captivating views of Mt. Shasta and Mount Lassen that can be seen from the area. Modoc and Lassen Counties boast a distinctively rural atmosphere that includes forested plateaus, green mountains, snow-capped peaks, and vast open agricultural valleys. With two major state Hwy's running through it Hwy 299 and 139, it's easy to get to major cities such as Portland 475, San Francisco 307, Redding 94, Reno 160, and Klamath Falls 97. The climate in Big Valley is characterized by four distinct seasons, with an average summer high of 93 and an average low in the winter of 28. Snowfall averaging ten inches per year is normal for the valley areas with more abundant amounts falling in the higher regions.

Cedarville: Cedarville is home to 800 residents and is located 24 miles east of Alturas. The amenities include grocery stores, post office, gasoline station, restaurant, library, gift shop and other small businesses. Housing is relatively inexpensive. Home prices range from \$50,000 to \$90,000, while rentals for 2-3 bedrooms are \$400-\$700 monthly. Popular local community activities include the Fort Bidwell BBQ, Super Bull event, Surprise Valley Rotary Fly-in Breakfast, Eagleville BBQ, Country Hearth Art Show & Sale, Modoc County Last Frontier Fair, Thom's Creek Ranch "Fall Gathering & Harvest Fair," and the Modoc Frontier Christmas Fair. Recreational activities include hiking, fishing, hunting, camping, rock collecting, snowmobiles, snow and water skiing, and bird watching.
